Hello

Product designer focused on healthcare and accessibility, with five years of experience across research, interaction design and prototyping.

Where I've Worked

Product Designer, Lumen Health — January 2022 to Present
Kochi

- Redesigned the appointment flow, increasing completed bookings by 17%.
- Run monthly usability sessions with patients over sixty.

UX Designer, Paperboat Studio — July 2019 to December 2021
Bengaluru

- Designed mobile banking and insurance apps for three clients.

What I Studied

National Institute of Design, Ahmedabad — 2017 to 2019
M.Des, Interaction Design

Sir J.J. School of Art, Mumbai — 2013 to 2017
Bachelor of Fine Arts

Toolbox

Figma, Sketch, Adobe XD, Framer, HTML, CSS, User Research, Prototyping

Things I've Made

Clinic Queue Redesign | Figma

- Concept that replaces paper tokens with SMS updates for a district hospital.

Accessible Banking App Concept | Framer

- Screen-reader-first banking prototype tested with twelve blind users.

Recognition

- Red Dot Design Award, Honourable Mention (2021)
